SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

Further to the Information Disclosure Statement filed January 21, 2004, the Examiner is respectfully requested to consider the additional reference which may qualify as prior art. For the Examiner's convenience, the reference is listed on the attached Patent and Trademark Office Form PTO-1449. Pursuant to the Waiver published in the Official Gazette on August 5, 2003, because this application was filed after June 30, 2003, a copy of the cited U. S. patent is not included, but will be provided upon request.

This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of PTO-1449 is not an admission that all listed references are prior art. No representation is made that applicants know of the best art.

It is believed that no fee is due with the submission of this Information Disclosure Statement. If this is incorrect, however, please charge the required fee and the fee for any extension of time needed to Deposit Account No. 07-1969.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Susan K. Doughty". The signature is fluid and cursive, with a long horizontal stroke extending from the end.
